## CHANNEL LETTERS

Individual illuminated channel letters\*, stacked format, based on height of "G" (x). The Hilton "H" is .70x.

• Light color buildings: Standard red trimcap. Returns are painted Akzo 373F6 silver metallic, gloss. Faces are 2283 red Lexan with 3M 3635-30 diffuser film applied second surface to preserve red color by day. Illuminated with 15mm clear red neon.

• Dark color buildings: Standard white trimcap. Returns are painted Akzo 373F6 silver metallic, gloss. Faces are L7328 white Lexan. Illuminated with 15mm 6500 white neon.

\*Note: Hilton and Garden Inn letters have been modified for 15mm neon illumination.

## SQUARE FOOTAGE CALCULATIONS

Two methods have been used to calculate square footage.

1. Actual sq. ft. by tracing face outlines:
2. Total sq. ft. by boxing the 2 lines of copy:
